

F104 Kubox

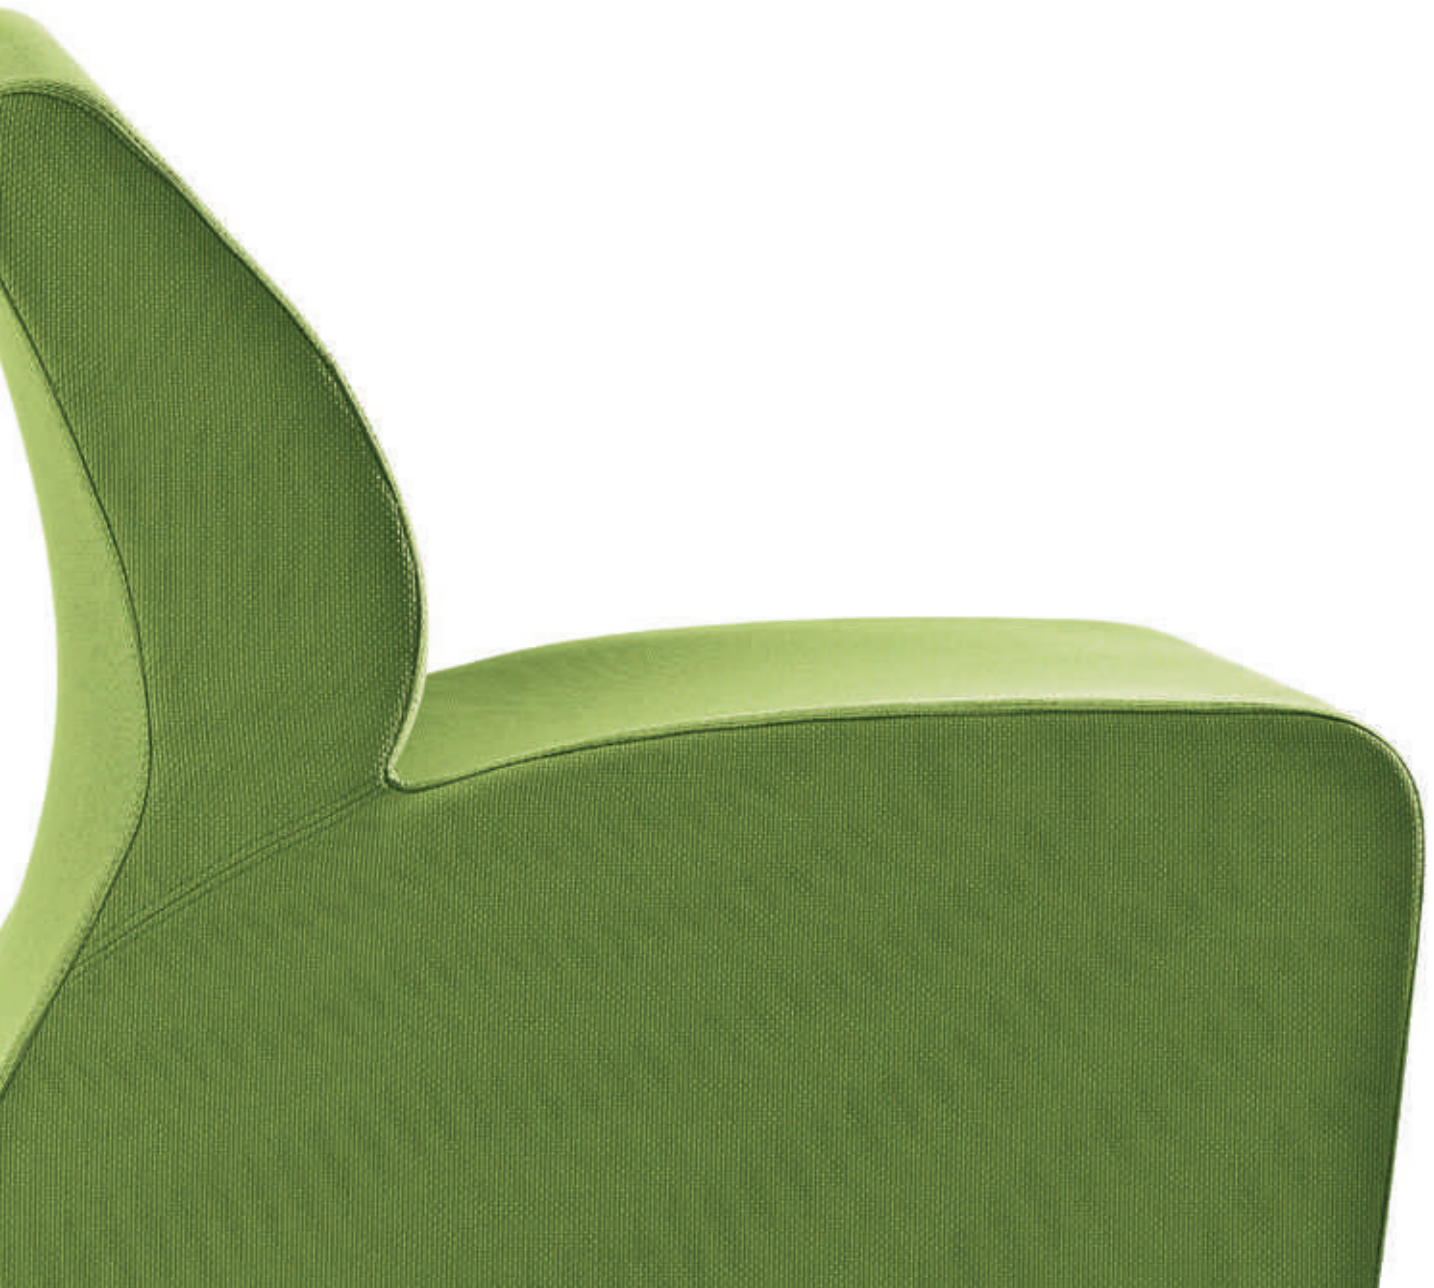

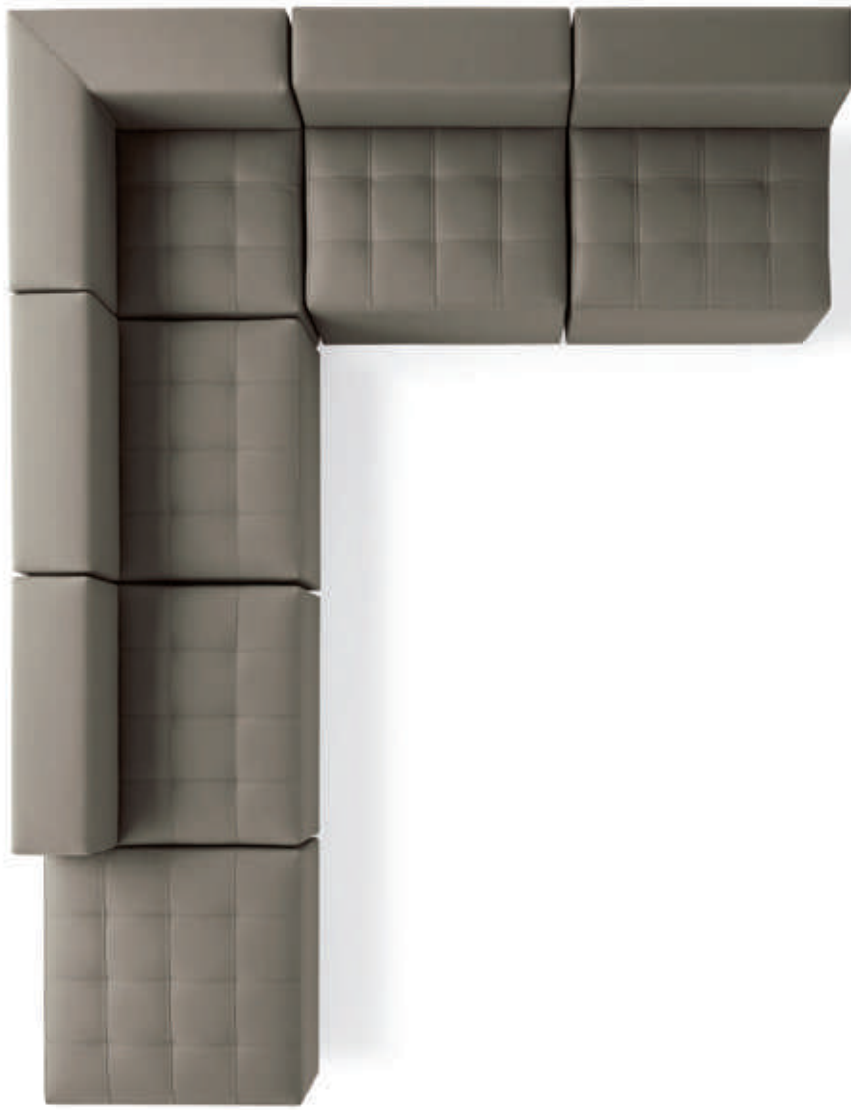

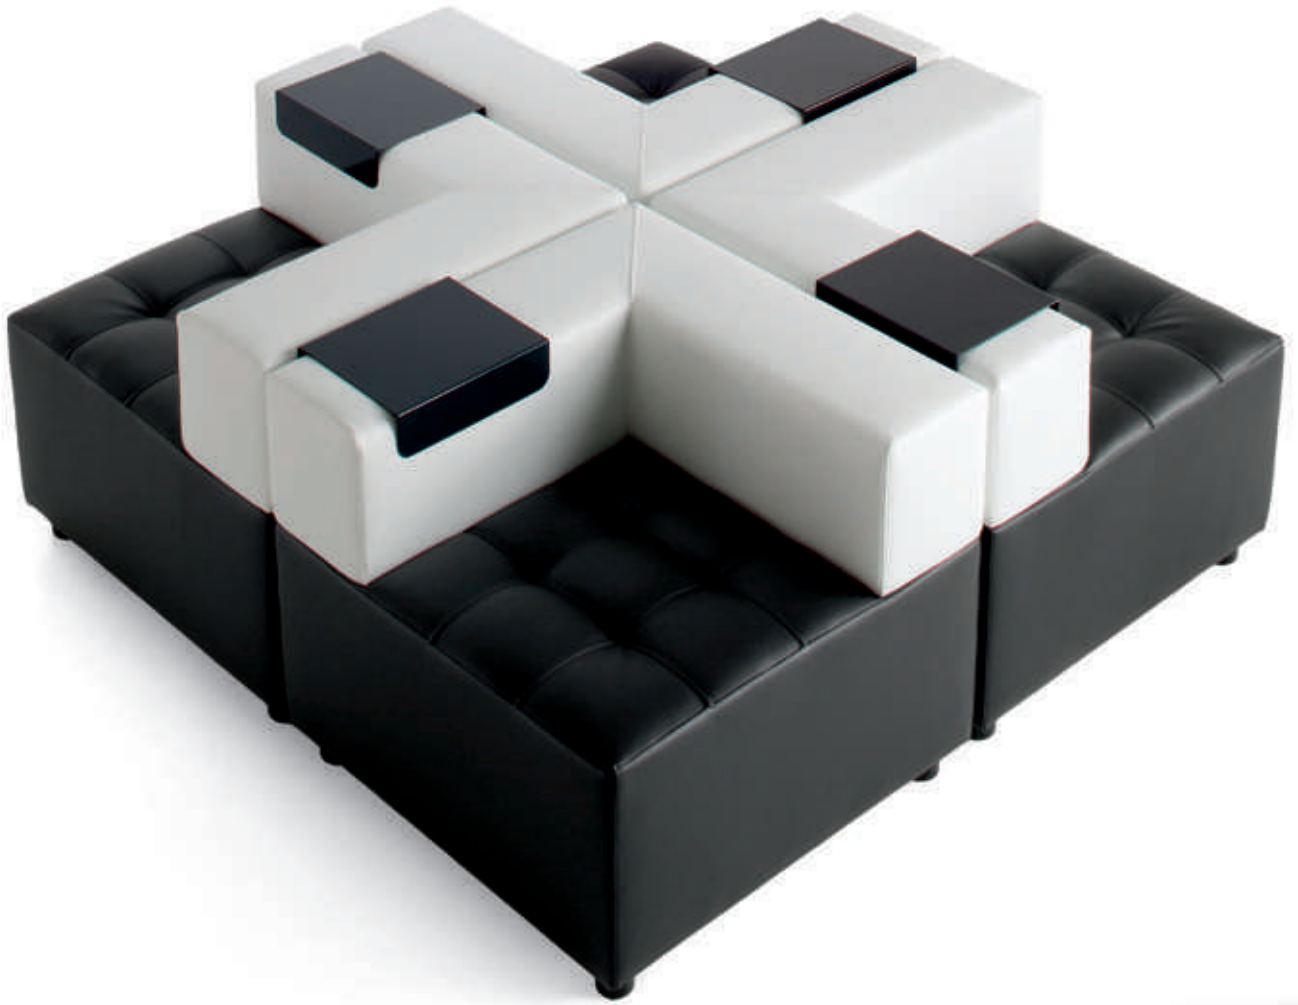

F104 Kuadra top

FLO4 Kondor

The poster is divided into several sections. The top section contains a grid of small images, some of which are dark and abstract. Below this, there are several columns of text, each accompanied by a small image. The bottom section features a large floor plan diagram with red dots and arrows indicating specific locations or paths within a building.

Text on the poster includes:

- 1. The World's Most Sustainable Buildings
- 2. The World's Most Sustainable Buildings
- 3. The World's Most Sustainable Buildings
- 4. The World's Most Sustainable Buildings
- 5. The World's Most Sustainable Buildings
- 6. The World's Most Sustainable Buildings
- 7. The World's Most Sustainable Buildings
- 8. The World's Most Sustainable Buildings
- 9. The World's Most Sustainable Buildings
- 10. The World's Most Sustainable Buildings
- 11. The World's Most Sustainable Buildings
- 12. The World's Most Sustainable Buildings
- 13. The World's Most Sustainable Buildings
- 14. The World's Most Sustainable Buildings
- 15. The World's Most Sustainable Buildings
- 16. The World's Most Sustainable Buildings
- 17. The World's Most Sustainable Buildings
- 18. The World's Most Sustainable Buildings
- 19. The World's Most Sustainable Buildings
- 20. The World's Most Sustainable Buildings
